Dear Ms. Gill,

The beautiful quilts you donated have been gratefully received by our Meals on Wheels recipients. These handcrafted gifts will truly be treasured by those who have received them, and I wanted to thank you again from the bottom of my heart for providing such a wonderful gift to those who SJCS serves.

I want to share with you a copy of the note we received from Jack, a recipient on our Meals on Wheels Program. Jack has a neurological disease and it took him a long time to write this note. He now sleeps on the first floor of his house, because he can no longer climb the stairs to his bedroom. He told his driver that it's cold on the first floor and the quilt he received helped a lot.
